**Dairyland Driving Club** is proud to host Jacob Arnold, head trainer at Hermitage Farm, Goshen, Kentucky, for a weekend driving clinic. Jacob works with young drivers and the not so young drivers. There will be many opportunities for learning whether you choose to attend with your equine partner or choose to audit.

**HISTORY:** At 8 years old Jacob took the reins for the first time with the family pony, Duke. His passion for driving grew from here and at the age of 17 he completed his first FEI show with Morgan mare, Shadow. During his second year of FEI level competition Jacob was awarded the 2011 USEF Junior Equestrian of the Year. His Combined Driving career has taken him from his hometown of Snow Camp, NC to five FEI World Championships, including a win in the 2014 Single Horse Marathon. His most recent World Championship results come from the 2021 World Championships for Pairs of Horses in Drebkau, Germany, where Jacob placed twelfth overall out of nearly 100 entries.

In 2020, Jacob accomplished a life long goal of winning a National Championship, the USEF Pair Horse National Championships. He went on to claim that title in 2021 along with the USEF Pair Pony National Championship and held onto the Pair Horse Championship title once again in 2022. Jacob hopes to continue his passion for Driving Sport both as an athlete for the United States at World Championships, and as an ambassador for the sport throughout America.
